ESR Rebound Pencil

- The smooth rubber-like polymer feels good and provides great grip
- Built-in pencil holder provides a secure place to store and charge your Apple Pencil (2nd generation)
- Works seamlessly with your iPad's auto sleep/wake function
- The magnetic trifold stand supports both viewing and typing stand modes
- Designed for the iPad Air (2020) with precise cutouts and easy-to-press buttons. Not compatible with any other iPad model
