Odzu Smart Messenger Bag

PN **ODZBG01BLK**
RRP **85,15 €**
EAN **8594184314159**

Universal bag with modern design and the ability to change its volume up to twice as much as needed. The maximum possible materials are recycled RPET Polyester and RPET Nylon. Nine separate compartments, a standby smartphone pocket, magnetic closure and a holding flap make everyday use easier. Designers from BOA Design and Czech Design contributed to the design.

Odzu Smart Messenger Bag

Sustainable materials

- Maximum possible materials are recycled RPET Polyester and RPET Nylon.

Clear office

- Store all your daily essentials neatly in the removable organiser.

Odzu Smart Messenger Bag

Innovative design

Smartphone at your fingertips

- Quick access with a small pocket on the back for your smartphone. No more fumbling around in your bag.

Versatile

- In and out of town. For work. For the outdoors. To the gym.

Easy snap closure

- One-hand snap system.

Easy access to the main compartment at any time. You won't even notice the bag on your shoulder thanks to carefully selected materials and minimal weight. The balanced design encourages you to organise your belongings in the bag so that they are always accessible and the wide handle makes it easy and comfortable to carry.

Odzu Smart Messenger Bag

Everything in its place

- Organising the little things has never been easier. The designers have thought of the most common small items that usually create an uncluttered mess.

Integrated, removable organiser

- Find a place for any daily necessity and always find it in its place.

Reinforced back

- For storing your laptop, the back is specially reinforced and the inner partition creates two separate compartments.
