- 10+ free games
- Charging case (batteries not included)
- Pouch

Pitaka MagEZ Card Sleeve 3, black

PN **CS3001**
 RRP **37,00 €**
 EAN **8594184314166**

- Ultra slim and minimalist design
- The magnetic phone wallet is precision cut with only a single seam
- Simply attach the sleek card wallet to your Pitaka MagEZ case to conveniently access your cards
- Cannot be used with Air Case.
- Strong magnets allow the card sleeve to connect seamlessly to the phone case, ensuring the card wallet stays safely and securely attached
- The card slot holds up to two bank cards or four business cards while ensuring an ultra-thin design*
- Material: Soft-touch PU leather
- *The magnetic card wallet cannot hold strip cards as there may be a chance of demagnetization.

Attach To Your MagEZ Case & MagEZ Case Pro

Fully Compatible with MagEZ Case for iPad Pro

Therabody RecoveryAir JetBoots – Large

PN RA02101-01
RRP 925,89 €
EAN 810036056960

Fully wireless compression boots

Key Features

- Fully wireless with integrated internal pumps
- Integrated, one-touch control panel
- Proprietary TruGrade Technology™ for safest, precise application of pressure

Therabody TheraFace PRO Black/Gold

PN **TF02226-01**
RRP **411,07 €**
EAN **810036056748**

The ultimate device for facial health

- A relaxing facial massage meets the facial treatments you love, all in one device. Reduce tension and relax facial muscles with the technology behind Theragun percussive therapy, now designed for the face. This multi-tasking device doesn't stop there – from skin-toning microcurrent to rejuvenating light therapy, you can combine and customize more facial health treatments than any other device.

Attachment Design

- Easy-glide magnetic rings, Modular design allows select therapies to be used simultaneously

Percussive Attachments

- 3 mm amplitude, 3 speeds (1750, 2100, 2400 PPMs)

Benefits

- 1. Percussive Therapy Attachments - Relieves tension in face, jaw, neck, and head. Reduces minor facial muscle pain. Gentle 3 mm of amplitude.
- 2. Microcurrent Ring - Firms and tightens skin. Improves muscle tone in face/neck. Gently stimulation helps firm and plump for youthful glow.
- 3. LED Light Ring: Red Light Therapy - Helps reduce wrinkles around the eyes.
- 4. LED Light Ring: Blue Light Therapy - Helps reduce mild to moderate acne.
- 5. LED Light Ring: Red+Infrared Light Therapy - Helps reduce wrinkles around the eyes. Warming temporarily reduces pain.
- 6. Cleansing Ring - Removes build up of dirt, oil, debris. Percussive-based cleansing enhances removal of pore-blocking debris and dead skin.

Therabody TheraFace PRO White/Rose Gold

RRP **411,07 €**
EAN **810036056700**

Therabody TheraFace Hot & Cold Rings Black

PN TF02230-01
RRP 101,81 €
EAN 810036056786

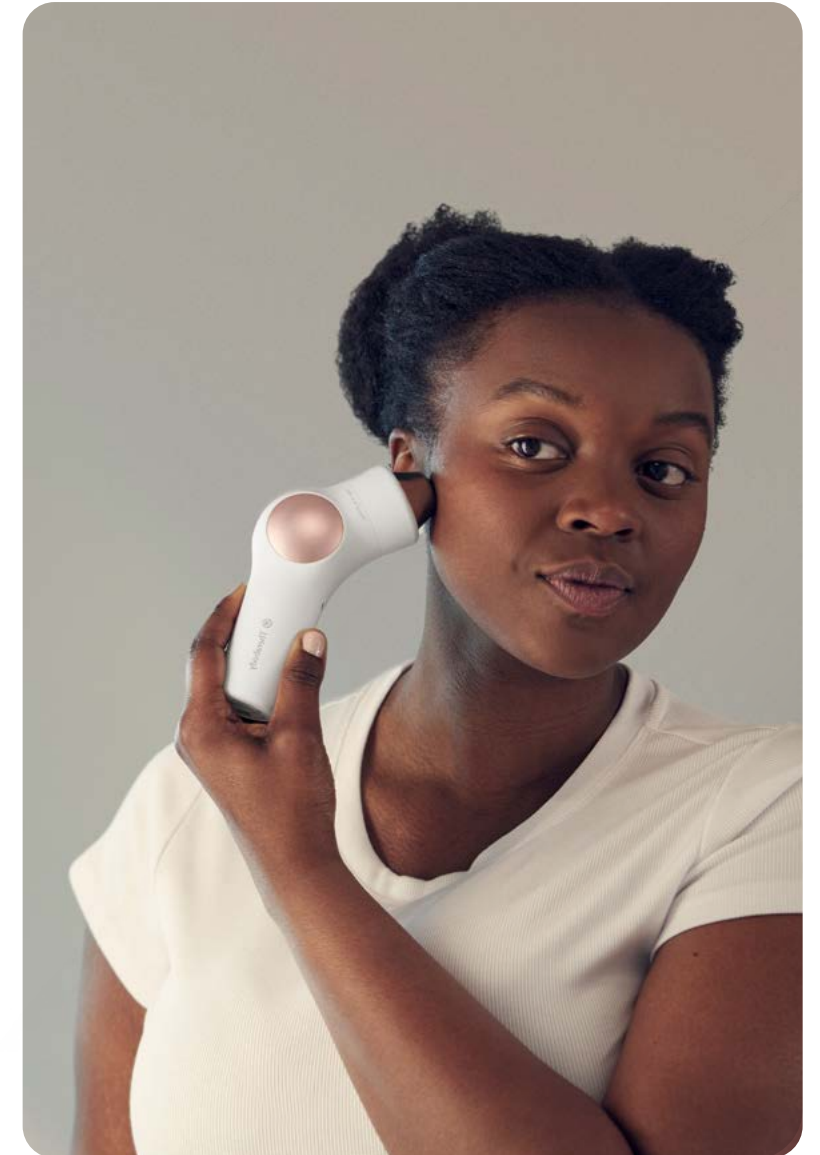

Set of hot and cold facial therapy rings

- Hot Ring - Reduces tension and pain, increases blood flow. Cold Ring - Helps reduce puffiness under eyes. Decreases pain, inflammation and muscle spasms

Using the TheraFace PRO

- Both the Hot and Cold Rings can be used with your serum or moisturizer of choice.
- Do not use the Hot Ring if you have melasma or hyperpigmentation, especially if it is exacerbated by mild warmth.
- The Cold attachment ring can be used simultaneously with any percussive attachment for a more customized treatment.
