## Nomad Base One Max, carbide

PN **NM01151685**  
RRP **151,81 €**  
EAN **856500011516**

- Base One Max delivers official MFi MagSafe charging at up to 15W with a weighted metal body and an elevated glass panel designed to complement any space.
- The integrated Apple Watch charger features a protective soft touch charging base. This allows you to use Nightstand Mode on your watch to quickly tell the time at your bedside or desk while also using the integrated MagSafe charger to power up your AirPods or iPhone.
- Disclaimer: Requires 30W Adapter
- Charging Reimagined - With 15W of power, Base One Max offers iPhone charging speeds comparable to that of a cable. That means less time charging and more time doing what you love with your devices.
- Weighted Design - Weighing in at 2 pounds (900g), Base One Max stays anchored to its surface when you're ready to grab your device and go. An elevated MagSafe charging puck allows you to wrap your fingers around your device for easy pickup.
- Match Your Space - Base One Max comes in two colorways to fit seamlessly into any space. From your bedroom to your home office, Base One Max stylishly elevates any area. Now available in Silver and Carbide.

### Key features & Benefits

- Fast Charge with MagSafe - Designed with official MagSafe and Apple Watch charging technology, Base One Max offers our most effortless charging experience yet

### Tech Specs

- Material: High quality metal chassis and premium glass panel
- Ships with USB-C to USB-C cable, does not include AC Adapter, but requires a 30W
- Up to 15W wireless charging speed
- Apple Watch charges at up to 5W
- 900 grams

### Compatibility

- Charges iPhone 8 and later as well as any Qi wireless charging device
- MagSafe's magnetic alignment feature only works with iPhone 12 and later
- Raised MagSafe Charger ensures compatibility with any phone camera thickness
- Compatible with Apple Watch Series 4, 5, 6 and 7
