- Suitable for every occasion
- Made of flexible FKM rubber and designed with a low-profile pin-and-tuck closing mechanism
- 100 % waterproof

### Key features

- High Performance: Sport Slim Band is made of FKM rubber that is both comfortable and durable. FKM's natural flexibility allows the band to easily contour around your wrist and its resistance to oils allows you to easily wipe down the band after a workout.
- Workout Ready: Get more out of your workouts with Sport Slim Band. Channels in the bottom of the band and full length adjustment holes increase breathability and flexibility.

- Pin and truck closure: Sport Slim Band is finished with a custom-designed pin and tuck closure that is slim and secure. The stainless steel pin latches through the band while the tail end is tucked away neatly against your wrist.

### Tech Specs

- Material: Compression-molded FKM, stainless steel closure pin
- Compatibility: All versions of Apple Watch
- Waterproof
- Resists a 5-20 kgf lateral slide-out force when installed in Apple Watch
