Catalyst Total Protection case, black
– AirPods 3

PN CAT100APD3BLK
RRP 55,52 €
EAN 4897041802511

- The Total Protection Case is the first of its kind anywhere. This patent-pending product has been engineered with durability at its core.
- Case has our classic design that is perfect for those who desire an adventurous look. Plus, it comes with a free carabiner for you to easily hook onto your belt, bag, or purse.
- This fully sealed AirPods case is not only IP68 certified but can also be submerged up to 330ft/100m for total and complete protection.
- With our impact-absorbing silicone interior and our rugged polycarbonate exterior, this case allows for drop-proof protection of up to 10ft/3m.
- It can be washed with soap and water to reduce the amount of dirt and impurities on the surface can be cleaned using 70% isopropanol or 70% ethanol.
- Case is compatible with wireless/QI charging pads. There is also a waterproof plug for easy access to the standard lightning cable. The charging light is also visible through the case, allowing you to be aware of the battery life of your device

Features:

- Tested IP68 Waterproof to 330ft/100m
- Military Standard Drop Proof 10ft/3m
- Advanced Locking System
- Easy Access to Pairing Button
- Impact Absorbing Silicone Interior
- Washable Polycarbonate Exterior
- Cleanable using EPA approved disinfectants
- Compatible with Wireless Charging and Charging Light Visibility
- Hinged Carabiner Attachment
- Easy Access to Lightning Port Plug

Catalyst Total Protection case, black
– Apple Watch 7 45 mm

PN CAT45WAT7BLK
RRP 85,15 €
EAN 4897041802498

- Engineered for Ultimate Waterproof Protection. This Apple Watch Case is IP68 certified and can be submerged to up to 330ft (100m) for total and complete protection, which offers 2X more waterproof protection than the Apple Watch.
- This resilient Catalyst Apple Watch 45mm case exceeds military standards (MIL-STD-810G) for shocks & drops up to 6.6ft (2m). The material is rugged, shock-resistant, and scratch-proof.
- Made with maximum precision, the case keeps your device protected and can be used with many of its functions, including, touchscreen, Bluetooth, optical heart sensor, speaker, and microphone. The rotating digital crown and side button are fully protected and easily accessible.* (*Note: ECG measurements via the Digital Crown do not work with the Total Protection Case)
- The watchband has a new look to provide the perfect way to customize your Total Protection case. Its design is a tribute to the diving watch band
- the Aqua Flow System allows for water circulation and the mushroom cap on the band loop secures the band to the wrist. The case can also be easily customizable with line of colorful Catalyst Sport Bands.

Features:

- Waterproof IP68 to 330 feet (100m)
- Drop-proof MIL-STD-810G 6.6ft (2m)
- Snow / Dirt / Sand proof
- True Sound Acoustic Technology
- Wireless Charging Compatible
- Optical heart sensor can measure heart rate and blood oxygen levels through the case
- Direct touchscreen access + easy access to the rotating crown dial and tactical side button
- Patented rotating crown dial
- Raised bezel protects the screen
- Aqua Flow System
