Nomad Base One Max, gold

PN **NM01175285**
RRP **159,22 €**
EAN **856500011752**

- Base One Max delivers official MFi MagSafe charging at up to 15W with a weighted metal body and an elevated glass panel designed to complement any space.
- The integrated Apple Watch charger features a protective soft touch charging base. This allows you to use Nightstand Mode on your watch to quickly tell the time at your bedside or desk while also using the integrated MagSafe charger to power up your AirPods or iPhone.
- Disclaimer: Requires 30W Adapter

Tech Specs

- Material: High quality metal chassis and premium glass panel
- Ships with USB-C to USB-C cable, does not include AC Adapter, but requires a 30W
- Up to 15W wireless charging speed
- Apple Watch charges at up to 5W
- 900 grams

Compatibility

- Charges iPhone 8 and later as well as any Qi wireless charging device
- MagSafe's magnetic alignment feature only works with iPhone 12 and later
- Raised MagSafe Charger ensures compatibility with any phone camera thickness
- Compatible with Apple Watch Series 4, 5, 6 and 7
