Mobile Origin Privacy Screen Guard iPhone 15 Pro Max with easy applicator, 2 pack

PN SGA-FP-i15ProMax-2pk

RRP 27,99 €

EAN 8594215990611

- scratch and fingerprint protection – the hardness of the protective glass protects the screen from scratches and fingerprints, improving the aesthetics and readability of the screen
- anti-crack protection – the higher hardness of the protective glass increases its resistance to impacts and drops, minimizing the risk of cracking or tearing the phone screen
- glare reduction – protective glass can minimize glare and improve screen readability in bright sunlight or other lighting conditions
- improve image quality – protective glass can improve image quality, sharpness and clarity
- chemical resistance – protective glass contains a chemical composition that improves the screen's resistance to chemicals and acids
- wear resistance – due to the hardness, the protective glass will wear less, meaning it will retain its clarity and quality for longer
- water protection – the protective glass has a water-repellent layer that prevents water from entering the screen and reduces the risk of damage
- improved grip – protective glass can improve the grip of your fingers on the screen, improving the handling and control of your phone
- easy to install – our protective glass is easy to apply with installation kits
- unique screen protector installation way in the market with auto position of the glass
- privacy filter only allows screen visibility for those directly in front
- dust remove automatically when peel off the first outer film
- 4X stronger glass, 9H hardness, anti-shock, anti-explosion, anti-scratch
- electroplating process makes super smooth surface
- bubble free, anti-fingerprint, 0.25mm thickness, double strong glue
- Japan Asahi Glass, SEGI chemical glue
- case friendly

Package includes:

- Tempered glass 2 pcs
- Installation tray
- Cleaning cloth, Alcohol Wipe, Dust Removal Sticker
