Accessories for laptops

Essential 20W Wall Charger EE202EU

A range of ultra-thin and portable laptop stands that enhance work ergonomics, promote better cooling, and securely hold your device in place thanks to the non-slip PU construction and reusable adhesive. Perfect for home, office, or travel.

- AMP10401 Slimfold Laptop Stand LD201-S1, black
- AMP10402 Slimfold Laptop Stand LD201-S2, black
- AMP10403 Slimfold Laptop Stand LD201-S3, black
- AMP10404 Slimfold Laptop Stand LD201-S4, black

S1 – two fixed angles, the simplest and thinnest version.

S2 – adjustable angle, lightweight and flexible.

S3 – more stable design with two angles.

S4 – the most versatile, suitable for tablets and keyboards as well.

Apple accessories

Apple Watch Band Organizer S341, black

- AMP09445

Practical wall organizer with 10 hooks for neat storage and quick swapping of straps. It features a top shelf for small items, a compact design, and easy installation with tape or screws. Material: PC.

Keychains and Key Cases (Key Fob Cases)

BMW Key Fob Case BK100, black

- ACS10425

The Spigen BMW Key Fob Case BK100 is a stylish TPU case with a carbon pattern that protects your BMW key from scratches and impacts. It offers full functionality, secure attachment, and quick, tool-free installation.

Volkswagen Key Fob Case VK100, black

- ACS10426

A stylish and durable case that protects your Volkswagen key from scratches and everyday impacts without affecting its functionality. Its elegant transparent design highlights the original look of the key while allowing easy access to all buttons with uninterrupted signal.

Protective phone cases

Ultra Hybrid, crystal clear – OnePlus 15

- ACS09785

Protect your phone without hiding its design! The Spigen Ultra Hybrid offers clear, long-lasting protection with impact cushioning and scratch-resistant durability.

Rugged Armor, matte black

- ACS10459 Xiaomi 15T
- ACS11152 Xiaomi 15T Pro
- ACS10460 Xiaomi Redmi Note 15 Pro 5G

Durable TPU case with a sleek matte finish and carbon details. It features raised edges for enhanced protection, precise cutouts for full functionality, and Air Cushion technology for effective drop protection.

Gaming accessories

Ultra Hybrid, frost black – Nintendo Switch 2

- ACS10167

Durable and ergonomic case for the Nintendo Switch 2, combining TPU and PC for reliable protection against impacts and scratches. It offers a comfortable grip, easy Joy-Con release, and dock compatibility.

Thin Fit 360, frost black – Nintendo Switch 2

- ACS10487

Slim and lightweight case for the Nintendo Switch 2 that protects the console from scratches and impacts. It provides secure attachment, easy portability, and perfect compatibility with joystick cap covers.
