Charging

Essential 30W Wall Charger EE301EU, all white

- ACH09492

Compact yet powerful, this USB-C charger delivers up to 30W of fast and safe charging for your phones, tablets, and other devices. Its broad compatibility and pocket-friendly size make it perfect for daily use and on-the-go travel.

Tablet Cases

Smart Fold, black

- ACS11175 Samsung Galaxy Tab A11 (2025)/A9 (2023)
- ACS10553 Samsung Galaxy Tab A11+ (2025)/A9+ (2023)

The slim and elegant case with a smart folding cover protects your tablet during everyday use while also serving as a convenient stand. Auto sleep/wake support and premium materials provide comfort, protection, and style.

Protective case for your gaming console

Klasden 2 Pouch, charcoal gray - Nintendo Switch 2

- AGP10197

The compact and durable case designed specifically for the Nintendo Switch 2 protects both the console and games during everyday use and travel. Its slim profile, sturdy construction, and space for up to 12 games make it the perfect travel companion.

Phone Case

Rugged Armor, matte black - Xiaomi 17

- ACS10458

The durable protective case with a matte finish and carbon details reliably protects your phone from drops and scratches. Thanks to Air Cushion technology, raised edges, and precise cutouts, it provides safety without limiting functionality.

Wireless Magnetic PowerBank

PowerBank 10000mAh 3in1 Wireless Magnetic PowerBank PB8

• MO-WMP-PB8

The Mobile Origin Premium Wireless Power Bank with a 10,000 mAh capacity offers convenient and fast charging, both wirelessly and with a cable. With MagSafe support, up to 20 W USB-C output, and a compact metal design, it's the ideal choice for everyday use and travel.

- 10,000 mAh capacity for all-day power
- MagSafe wireless charging up to 15 W
- USB-C Power Delivery output up to 20 W
- 3-in-1 charging: iPhone, Apple Watch, and AirPods
- Clear LED battery status display
- Compact size and lightweight (180 g)
- Durable aluminum body with a premium design
