

Meet Pivo Pod Black

Pivo Pod Black

Pivo Pod Black is the communication hub for **business,** **real estate,** **hospitality,** **interior designers,** **education,** **and more!**

- Optimize your content with creative photos and videos.
- Always stay in the picture with 360 ° auto tracking (with face, body, horse and action tracking modes).
- Share on multiple platforms at the same time
- Perfect focus guaranteed.
- Connect auto-tracking to your favorite apps.
- Integrate auto-tracking into your video calls with Pivo Cast.
- Use the smart capture mode for photos in motion, even when you are not standing next to your phone.
- 12 Quick Create modes for instantly shareable content.
- The compact, robust design ensures optimal mobility wherever you are.
- Upload and share right from the app - no editing required.
- Remote control included for more user comfort and improved interaction.
- Capture anywhere with Pivo 3D Tour
