PAPER APPLICATOR

Mobile Origin Screen Guard iPad with Eco Applicator Air 11" M2 2024/M3 2025/M4 2026

9H hardness: withstands keys, coins and sand — what damages tablet screens most often.
Eco applicator: the installation frame is made of paper — simply recycle it after use.
2.5D rounded edges: the glass blends smoothly into the iPad body without catching on fingers.
